

IS YOUR YOUNG CHILD INATTENTIVE, IMPULSIVE, OR HIGHLY ACTIVE?

We can help.

We are looking for parents/guardians of young children to participate in Project PEAK! In this research study, you will be provided with a free early intervention parent education program.

- Learn effective behavior management strategies
- Receive 1:1 support
- Develop a personalized plan
- Connect with other parents
- Receive compensation for your time

Children must be **3- to 5-years-old**, **exhibiting symptoms of ADHD** (ADHD diagnosis not necessary), and not be diagnosed with an Autism Spectrum Disorder.

If you would like to learn more about Project Peak, or to enroll in this study, please contact us at 610-758-5270 or inpeak@lehigh.edu.
